- 750 acres -

The Eagle's Nest is an 8-foot high wooden platform treehouse located 10-15 minutes from the main road along the Chickadee Trail. It is a great spot for a picnic lunch or bible study.

Twin Rocks are a pair of Boulders approximately 7 feet high, located where the Chickadee and Cardinal Trails meet. Great for climbing.

Wikiwak Caves are large rock crevices that are fun to explore and walk through.
