Summer Camp 2011

Thank you for applying to be a '**Volunteer CILT**' (**Camper In Leadership Training**) for summer camp this year. A 'CILT' must have completed at least 9th grade (*or 8th grade with a parent who is counseling in the same camp*). Remember that while being a CILT is definitely a worthwhile and rewarding experience, nothing can compare to being an actual CAMPER!

Please register for at least one session of summer camp for yourself before you consider CILTING for other campers. Also, you will be allowed to serve as a CILT for a maximum of two weeks. Please schedule a week between your CILTING and your own individual camper experience.

There are certain steps we would like you to take:

1. Return the completed Application form to the Plateau Office. Indicate which camp you would like to serve.
2. Give a Reference Form to at least three adults whom you know well, and who can attest to your Christian character and ability to do the job of a CILT. Be sure to give one form to your pastor or youth group leader. *(Four forms are enclosed.)*
3. If your application is approved by the Camp Director (CD), it will be forwarded to the Program Director (PD) for the week(s) in which CILTs are needed.
4. The PD may contact you regarding your possible volunteer service as CILT for their week. If you are new to this PD, a brief phone interview may take place.
5. If you are selected to serve as a CILT for that camp session, you will then be registered as a CILT for that camp, and a Confirmation packet will be mailed/emailed to you.
6. CILT's serving in a full week of camp (7 days) will be charged a \$40 participation fee to help offset camp programs, materials, and meal expenses.

Thank you for considering this very special ministry. Summer camp is such a blessing to the lives of children!

Thank you, Pocono Plateau Staff
